Chairman's Message

Dear Students,

Let me congratulate you on deciding to join our +2 Science college for pursuing your course of study. This prospectus, a brief introduction to our institution, speaks of those features that reaffirm our faith in and commitment to the essential task of nurturing your inherent talent for a prosperous and successful career in science education.

I am sure you will make the best use of the programme offered, facilities provided and opportunities here, in your interest. I am quite confident that you will address yourself to the task of learning with a tremendous sense of involvement and come out successful with flying colors in your cherished endeavor.

Let me greet you at the beginning of this journey towards the knowledge with magnificent success in contemporary science.

Dr. Tirupati Panigrahi
(Chairman)

Vice-Chairman's Message

I welcome your interest in Hi-Tech Science College and hope that in future we will have an opportunity to interact in person. In the next few pages you can know about our method of functioning. Come & share with us the pride in present and confidence in the future. If you are a prospective learner, I wish you success in getting admitted to our +2 Science College.

Sri Tirupati Choudhury
Vice-Chairman

Director's Message

The last decade has witnessed great upheavals in the sphere of science education. And this is due to the ongoing change in technology in every sphere, be it engineering, Medical science, Pharmaceutical, Nursing, etc. Having been aware of the phenomenal changes HGEI was established with a vision to churn out technocrat, medicos, scientists with competence and caliber to face the challenges at the International level.

Our sincere efforts are aimed at inculcating human values, competitive spirit, team manship, leadership quality in the students. We bear in mind that students are first human beings and citizens and then professionals.

All the institutes under the umbrella of HGEI have teams of dedicated faculty members recognized for their outstanding academics and student friendly attitude. State-of-the art laboratories, modern class rooms enriched library in campus, hostels for both boys & girls with the scope for recreation are some of the defining features of Hi-Tech Science College.

Sri Suresh Kumar Panigrahi
Director

Principal's Message

There are two primary choices of life - To accept conditions as they exist, however ordinary they may be, or to take up the responsibility of changing them. My cognition has prompted me to opt for the latter and as a result, my efforts always intend to bring the best into any system by inducing positive changes. Hi-Tech Science College initiated its journey long back in real sense with its +2 science wing, on the base stones of fixing its targets and presenting a unique methodology with optimum fusion of academics and co-academics with parallel growth of competitive minds to secure assured careers for the students. Over the years this college has assumed brighter colors in every front – General, Technical & Health educations.

Having created its own identity, in tandem with others, it has been striving consistently to achieve international standards of imparting quality education, with a common philosophy of sustaining and inculcating Indian culture and value system in the students.

I, on behalf of Hi-Tech Science College express my sincere gratitude to the parents for keeping constant reliance on us through combine efforts taken to enrich and high-light the talents of the students.

Dr. C.R. Sahoo
Principal

Our Mission

To create an environment where budding scientists can embellish the realm of their wisdom and widen their intellectual wit to realize the cosmopolitan outlook.

Our Infrastructure

College

- The college has excellent infrastructure with regard to Class rooms, Laboratories, Library, Common Room and Play Ground.
- Spacious, well ventilated and well equipped class rooms with LCD projectors.
- State of the Art Laboratories in Physics, Chemistry, Biology and Computer Science with well equipped ultra-modern equipments & internet connection

Library

- Library-Cum-Reading room for the students, with 5000 books (Text & reference) in all subjects. Daily News papers & Magazines for enrichment of knowledge.

Hostel

- Separate hostels for Boys' and Girls' are available in the college campus.
- Well equipped living rooms with attached lavatory for boarders
- Reading hall for guided study hours. ➤ TV, News Papers and Indoor games for recreation.

Canteen

- Hygienic atmosphere with balanced diet comprising of Breakfast, Lunch, Snacks & Dinner.
- Pre-planned weekly menu and nutritious Veg. & Non-veg. foods within the prescribed amount.

Medical

- Round the clock medical facilities with Ambulance Services.

Our Residential System

Teaching and Coaching

- Integrated +2 Science coaching classes by expert faculty members. ➤ Coaching—cum-doubt clearing classes pertaining to different Medical & Engineering Entrance Examination (NEET, JEE(MAIN), OJEE) by entrance experts.

Test / Evaluation Process

- Daily Test (Objective / Subjective) pertaining to lessons taught in the previous classes.
- Weekly Entrance Oriented objective OMR based (E-Capsule) test. ➤ Monthly C.H.S.E. Oriented test (MAT).
- Pre-Test, Test & Annual / VST (C.H.S.E. Oriented Test) ➤ Performance of the students are sent to be parents through sms.

Remedial Classes & Proctorial Systems

- Remedial classes pertaining to different subjects (chapter wise) is taking place for academically slow learners during evening study hours.
- A unique method of proctorial system is prevalent in our college.
- A proctor (faculty) is assigned with a few numbers of students (10 in nos.).
- Besides academic matters, the proctor brings the internal linking of the student for recommendation to the Principal. Steps are taken to pinpoint the gifted ones to streamline the talents in respective fields. Parents/Guardians are kept in constant touch.
- All possible efforts are taken to keep the student-guardian-proctor relationship, a fair building mechanism, leading to healthy and disciplined education.

Seminars and extra moral lectures by the Eminent Scholars are conducted periodically to enrich the knowledge in a stress free environment.

Hostel administration

- Hostel care takers / Office bearers : Each hostel is administrated by one superintendent under whom two supervisors, two care takers and house-keeping staff are delivering their duties and responsibilities.
- Academic Guidance : In-house faculty members from different teaching departments are appointed in hostels for 24 hours & 365 days guidance and doubt clearance. Besides, senior faculty members also visit hostels as per the schedule from 6.30p.m. to 9.p.m. every day (except Sunday & Holiday). During their visit they approach each boarder, listen to problems they face in their study and help them to get their problems solve.
- Doubt clearance system for boarders : if a boarder has any doubt he or she puts it down in a register kept in the hostel office. During hostel visit, the concerned faculty members' refers the register, meets the boarder and clarifies the doubt. To ensure that the system works well the boarder has to make re-entry in the register stating that the doubt has been clarified.
- Yoga and Health Care: Yoga classes are introduced to make the students concentrated towards study. There is a Medical college and Hospital to cater the needs of the boarders round the clock.

CHOICE OF SUBJECTS

- A. Compulsory Subjects – MIL- (Odia/Hindi/Sans./Alt.Eng.)
 B. Elective Subjects – 1st - Physics, 2nd - Chemistry, 3rd - Mathematics/Biology, 4th - Biology/Elect/Stats/Comp.Sc./IT
 Note: 1. The same subjects cannot be taken as both 3rd & 4th Elective.
 2. Students opting for Biology as 3rd Elective Subjects cannot take Electronics as 4th Elective.

FEE STRUCTURE FOR REGULAR COURSE (Integrated +2 Science) – 2017 - 18

1st Year - 1,10,000/- (College fee - 60,000/- + Uniform - 3000/- + Hostel fee - 20,000/- (nonrefundable) + Fooding - 27,000/-
 2nd Year - 1,15,000/- (College fee - 60,000/- + Coaching fee - 8,000/- Hostel fee - 20,000/- (nonrefundable) + Fooding - 27,000/-

MODE OF PAYMENT

- College and Hostel fees have to be deposited at the college counter in shape of Demand Draft (DD) in favour of **Hi-Tech Science College, payable at Bhubaneswar.**
- Full Payment at the time of admission with discount of Rs. 3000/-
- Parents or Guardians desirous to make payment in installments can deposit as per the following details:

FIRST YEAR	AMOUNT	SECOND YEAR	AMOUNT
At the time of Admission	50,000/-	Readmission 10.04.18	55,000/-
06.10.17	30,000/-	09.07.18	30,000/-
02.01.18	30,000/-	05.10.18	30,000/-

SCHOLARSHIP

“ Students amongst the ten toppers of the current qualifying examination conducted by HSC/CBSE/ICSE”	Full exemption of both College & Hostel fees with apparel
Above 90%	Rs. 10000/- per academic session
Above 80%	Rs. 7000/- per academic session
Above 75%	Rs. 5000/- per academic session

Students selected through Hi-Tech Search for Brilliance Test (HSBT) will get Scholarship from +2 Sc. to Higher studies (MBBS / BDS / B. PHARM / BPT / NURSING / B.TECH / MBA) in Hi-Tech Group of Institutions.
